

SPRING-SUMMER
2020

TRAINING BROCHURE

Welcome to my Spring 2020 training brochure. 2019 was an incredible year where I got to meet over 3000 trainees and deliver exceptional training to all. I had a wonderful year but now look forward to the next with excitement as I am adding a new delivery model as well as a brand new course about using the Outdoors effectively.

As always if you have any questions please drop me an email:

james@nurserynook.co.uk

From the initial contact to delivery of the workshop, James was friendly, professional and efficient. Our staff really enjoyed his delivery style and everyone came away with new ideas they were inspired to try, and which have already been implemented in our settings. We can't wait for James' next training session with us!

Jane McFarlane, Chairman, Kingfishers preschool and care clubs, Kingsley and Dilhorne

CHOOSING YOUR DELIVERY MODEL:

I now offer two delivery models for settings to choose from.

INDIVIDUAL SETTING

You can book me to come and deliver training to just your setting (or group) for a fixed fee. This will be inclusive of travel expenses and all sundries.

There is a standard fee of £300-£350 however some courses come with additional benefits including access to training materials or free resources.

Please read each course page carefully for details.

There are limits on the number of attendees for each course. see each page for details.

BECOME A HOST SETTING OR SCHOOL

Hosting an event is the most cost effective way to get training for your staff.

You provide the training space (to cater for a minimum of 20 people), furniture and refreshments and I will provide the training.

You get between 5 and 10 free tickets for FREE and you can buy additional tickets at a 25% discount if required.

The remaining tickets are then sold by me to the 'public.'

There is a requirement to sell 50% of the remaining tickets for these events to be cost effective to run.

NOT SURE WHICH MODEL IS RIGHT FOR YOU? EMAIL ME ON JAMES@NURSERYNOOK.CO.UK TO DISCUSS IT.

WHERE DO YOU DELIVER?

I deliver training across the North of England and parts of the midlands. I can also deliver further afield for an addition cost during my school holidays (I still work in a school). Please contact me to arrange this.

NOT SURE IF I DELIVER TO YOUR AREA? EMAIL ME ON JAMES@NURSERYNOOK.CO.UK TO DISCUSS IT.

AVAILABLE TRAINING: SPRING 2020

LOOSE PARTS EXHIBITION

Loose parts involves using small 'loose' objects around you for children's play. The concept isn't new, but schools are finding it more and more relevant as our sector moves towards more child-centred learning.

Through this training, delegates learn about the origin of Loose Parts, how to introduce it, where to source them, how to keep children safe and how to support fellow practitioners.

This training is a mixed approach of presentation and plenty of 'hands on' play with a wealth of resources - bring your camera!

Session length: 1.5 hours.

Set up time prior to event: 45 minutes

Pack away time: 30 minutes

Designed for: All staff working in Early Years (0-5) and KS1

Max number of attendees: 30

INDIVIDUAL SETTING

Individual setting cost:

£300

You will receive a £50 voucher to spend in my online resource shop + Free lifetime access to the online version of this training for any staff who missed out or join your team later (worth £17.50 per person)
Max 30 people.

OR

HOST SETTING

Host receive 1/4 of the tickets free.

Price for external delegates:

£25

PURPOSEFUL PROVISION

Do you have provision in your setting that falls a bit flat? Can you justify why you're delivering learning through provision? Do you have 'dead zones' in your classroom? This training is designed to support you in making every part of your environment work just as hard as you do!

Through this training, delegates are supported to understand how and why we do provision the way we do. Delegates will be supported to think about placing the child at the centre when designing provision. This hands on session is designed to challenge practitioners to develop the provision as a tool for learning and not just something which looks nice!

This training blends a mixture of approaches including a presentation, workshop activities and exploration of some resources.

Session length: 2 hours

Set up time prior to event: 30 minutes

Pack away time: 20 minutes

Designed for: Staff working with 2-5 year olds including NQTs, RQTs, New to Early Years staff & those wishing to deepen their understanding of provision.

Max number of attendees: 20

INDIVIDUAL SETTING

Individual setting cost:

£300

Max 20 people.

OR

HOST SETTING

Host receive 1/4 of the tickets free.

Price for external delegates:

Earlybird - £25 then £35 full price.

FABULOUS PHASE 1 PHONICS

Too many practitioners rush children towards phase 2 phonics and don't spend the time they need on developing the foundations in Phase 1.

Children need to have a solid understanding about recognising and making sounds, keeping a beat, understanding speech sounds as well as learning how to talk about the sounds they hear.

This active, hands on course is designed to support practitioners to recognise that phase 1 phonics can be woven into many activities already ongoing within their settings. It further supports them in understanding when to move children onto phase 2 and what to do when gaps exist.

This training blends a mixture of approaches including a presentation, workshop activities and exploration of some resources. Delegates will be required to move about and should therefore wear suitable clothing and footwear (non-strenuous)

Session length: 2 hours

Set up time prior to event: 30 minutes

Pack away time: 20 minutes

Designed for: Any staff who will be teaching phase 1 phonics.

Max number of attendees: 20

INDIVIDUAL SETTING

Individual setting cost:

£300

Max 20 people.

OR

HOST SETTING

Host receive 1/4 of the tickets free.

Price for external delegates:

Earlybird - £25 then £35 full price.

OUTDOOR: ELEMENTS (AVAILABLE FROM MARCH 2020)

As a sector, we're pretty rubbish when it comes to outdoor learning. So many people strive for excellence indoors and out but fall short with the outdoors. This course is all about using what you already have to bring the best out in your staff and children. This course will not feature a single outdoor laminate - if that's your style and you like it then this course might not be for you..

Delegate will learn:

- What truly makes up an effective outdoor environment.
- What good learning looks like in the outdoors.
- How to work with what you have to support the key outdoor play themes.
- How to make subtle changes to move towards purposeful provision.
- A new approach to enhancing the outdoor environment.
- How to develop yourself as a facilitator of outdoor learning and how to support the team around you.
- How to develop new language outdoors.
- How to overcome typical challenges encountered by staff in the outdoors.

This is a mixed course of indoor and outdoor practice so delegates will need to wear seasonally appropriate clothing and be prepared to get muddy!

Session length: 3 hours.

Set up time prior to event: 45 minutes

Pack away time: 30 minutes

Designed for: Any staff working in a setting with an outdoor provision.

INDIVIDUAL
SETTING

Individual setting cost:

£350

Max 20 people.

OR

HOST
SETTING

Host receive 1/4 of the tickets free.

Price for external delegates:
